

Scene Ultralight

Artwork setup guide

3000mm

2290mm

- Use CMYK colour mode
- Please note that the blue keyline on the above image illustrates where the folds will begin
- Accepted file formats are: PDF, Jpg or Tiff.
- Please ensure that all images are embedded into the file and all fonts outlined before saving.
- Please be aware that the top and bottom 50mm are used to fold round and create the pocket for the pole to slide through. Please keep any important information away from these areas
- Resolution to be 150dpi at full size, 300dpi at half size or 600dpi at quarter size.
- Include 5mm of bleed around each edge and save your file with crop marks
