

DEXS

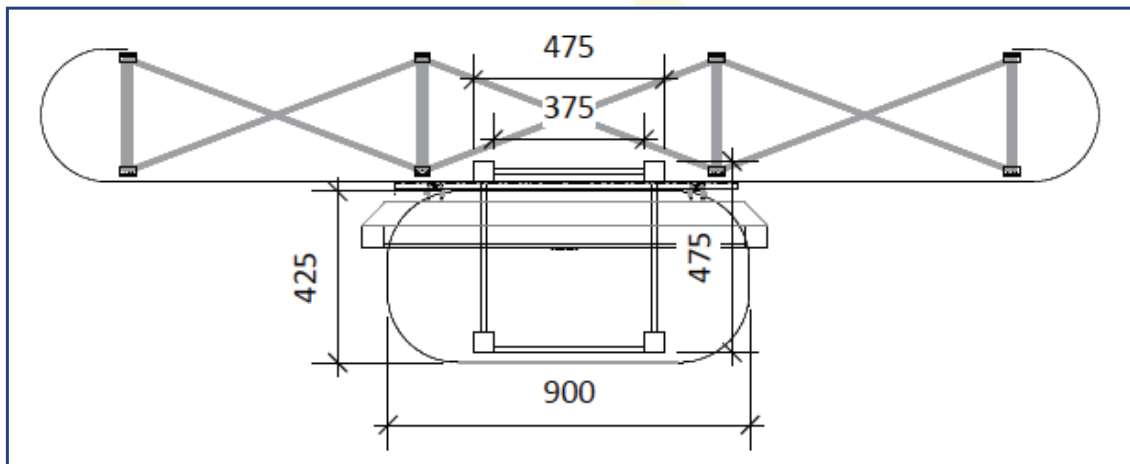

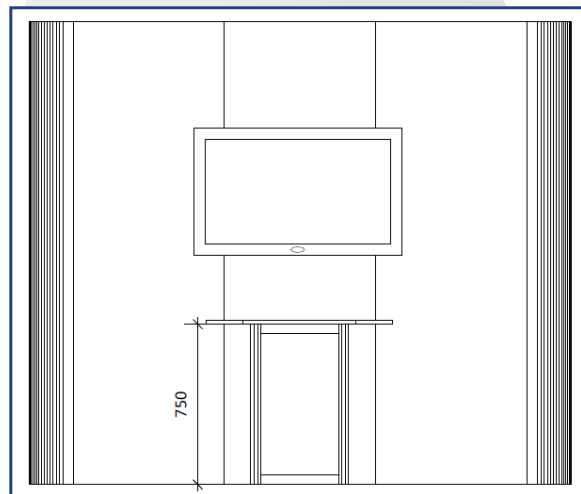

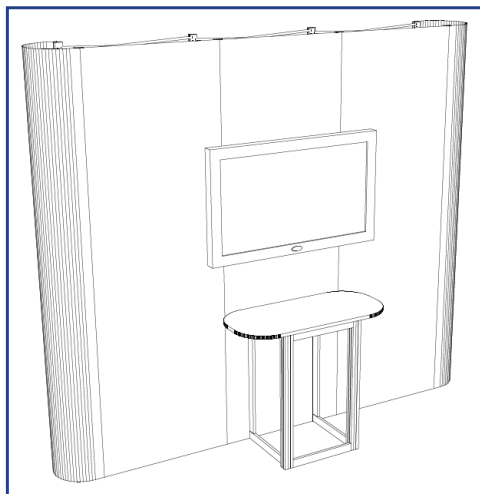

STYLE SCREEN BRACKET

Pop Up stand not included

If you wish to integrate a large-size LCD, LED or Plasma screen into your pop up stand or Twist stand then our new Pro screen mount provides the perfect way of doing so.

Similar to DEXS system but with refinements, it is capable of holding screens up to 60" and is compatible with our range of straight Express pop up stands.

Standard VESA support system for integration with Quick/Express pop up display stands
