

This bleed area is hidden inside the base of the stand even when it is pulled up. Make sure that your text, logos and images are moved up, away from this area of the page.

Artwork setup guide

- 800mm wide x 2170mm tall
- The bottom 150mm will stay rolled up inside the base unit. Keep text, logos and images out of this area
- If you have a background image or colour DO extend it right to the bottom to ensure you don't see a thin strip of the white space at the bottom
- Accepted file formats are: PDF, Jpg or Tiff
- Resolution to be 150dpi at full size, 300dpi at half size or 600dpi at quarter size
- Use CMYK colour mode
- Please save your document with 5mm bleed and crop marks
