Total graphic area:

970mm (w) x 2360mm (h)

Total visual area:

950mm (w) x 2340mm (h)

Please keep all important information within the blue safe zone box

This template is for shell scheme panels printed onto Display Polyester Fabric

IMPORTANT INFORMATION:

This artwork template is set up to create a finished print size of 950mm wide x 2340mm high which is a common size for a shell scheme panel for an Octanorm based system.

Please note that not all shell schemes use panels of equal size. you should consult the contractor or event organiser who is providing your shell scheme who can provide the corect dimensions for your particular panel.

If you require help or support. please contact us at sales@printdesigns.com or by telephone on 01785 818111 and we will be happy to assist.
